

By car: Gimborn is situated about 50 kilometres east of Köln.

Coming from the north take the motorway **A 45** (Dortmund-Frankfurt) to Meinerzhagen where you leave the motorway following the sign-post to Gummersbach and then to Marienheide. In Marienheide follow the sign-post to Engelskirchen. After about seven kilometres, after having passed a small place called „Hütte“, you reach a left turn with a sign-post to the right to Gimborn.

Coming from the south or the west take the motorway **A 4** (Köln-Olpe) until the exit Engelskirchen where you follow the signpost Gummersbach. In a little village called "Neuremscheid" turn to the left to Marienheide. After about six kilometres, having passed some manufactories, you will arrive at a narrow curve, where you have to turn left again following the signpost "IBZ Schloß Gimborn". The parking areas are just in front of the castle, near the "Alte Rentei" and on the former schoolyard.
